RULES AND REGULATIONS

PHOTO POLICY

ABSOLUTELY NO FLASH PICTURES ARE ALLOWED DURING REHEARSALS OR RECITALS

Flash pictures are extremely distracting to the dancers and pose a serious danger to the dancers on stage. The flash can blind the dancers, which may cause them to lose their concentration and risk injury. The dancers have worked too hard to have someone ignore this rule and ruin the performance for them. **Anyone caught taking flash pictures will be immediately escorted out of the auditorium.**

VIDEO CAMERA POLICY

NEW POLICY

Absolutely No Video Taping during dress rehearsals or dance recitals. We have hired a new professional video photographer. No video cameras will be allowed at the dance recitals. Persons who have preordered the Dvd by June 4th may receive a video pass for the dress rehearsals only!

FOOD AND DRINK POLICY

Absolutely No Food or Drinks are allowed in to the auditorium or hallways of the High School. **The Bellingham High School department strictly enforces this rule. They do have custodians there enforcing this policy.**

BACK STAGE POLICY

The only people allowed in the back stage areas with the dancers are those volunteer back stage mothers / guardians that have been Coried by the Bellingham school system. These volunteers will be given a badge on the day of the recitals. **Absolutely no one else will be allowed into the designated back stage areas.** This year the students will be checked in at the entrance to the back stage areas and escorted to their class area. This is for the safety of all the children.

****PLEASE NOTE**

- Younger Students should bring crayons, paper and coloring books with them to keep them busy while waiting to perform and waiting for the finale at the end of the show
- Due to Extreme Food Allergies of many of our students, no snacks will be allowed in the back stage area. Allergies include Gluten, Peanuts, Wheat and Dairy. Only water will be allowed. Students should eat before arrival.
- Students are not allowed in the auditorium at any time during the performances. The dancers must remain back stage throughout the entire recital. All dancers must return to the stage for the Finale of the show. No Exceptions!
- Students performing in both the 1pm and 5pm shows on Saturday must pack a lunch. Please no Peanut Products! We will designate an eating area that we will clean before the next group of dancers arrive.

WHERE TO PICK UP YOUR CHILD

After the finale of the show your child will be brought back to the same designated back stage area that you dropped them off at. **Only the same parent**

that dropped them off prior to the show is allowed to pick them up.

We have many students to rehearse each day. Please remember that you are there to watch and not to talk with your neighbors and friends. We expect that you will come in and watch quietly. If the noise level begins to disrupt the rehearsal the doors will be closed to all.

Parents: Please make sure your child is prompt for this rehearsal. We will not wait for tardy students. Each class will be asked to stay for only their designated time.
